### ***SUPERSTAR VIRGO***

With reference to the press release "*Alexandria Showcase for SuperStar Virgo – the First World-class Mega-ship to Showcase in the Middle East*," dated July 26<sup>th</sup>, 1999, Star Cruises wishes to state a correction.

***SuperStar Virgo*** is not the first cruise ship in the world to have a "halal" kitchen featuring "halal" food. ***SuperStar Leo***, the predecessor and sistership of ***SuperStar Virgo***, already has a "halal" kitchen.

***SuperStar Leo*** is currently plying the South China Sea calling at Songkhla in Thailand and Pulau Perhentian, Awana Kijal and Kuantan on the east coast of Malaysia.
