**"KINGDOM OF KUNG FU" SET TO THRILL AUDIENCES ONBOARD SUPERSTAR VIRGO**

Star Cruises, the "*Leading Cruise Line in Asia-Pacific*", is pleased to introduce its latest production show entitled '*Kingdom of Kung Fu*' onboard Asia's popular cruise ship **SuperStar Virgo**.

**"Kingdom of Kung Fu"** is an all new show that features a stunning combination of martial arts, dance, acrobatics and gymnastics. Produced entirely by the Star Cruises entertainment team, the spectacular USD 1 million production brings together a multi-award winning international cast of 30 talented artistes from Europe, South America and Asia.

The shows will be staged at the magnificent 934-seat Lido show lounge, equipped with state-of-the-art light, sound and stage features.

"The introduction of new and spectacular shows like **"Kingdom of Kung Fu"** are part of the ongoing efforts by Star Cruises to enhance the varied choice of entertainment and activities that are available onboard our ships, in providing guests with a truly world class cruise experience," said Mr. Chong Chee Tut, Star Cruises' Chief Operating Officer.

**"Kingdom of Kung Fu"** showcases the power and action of the Shaolin Masters, combined with the grace and fluidity of dance and the precision and strength of gymnastics and acrobatics. It reflects a fusion of cultures which sees good triumph over evil in cleverly choreographed sequences complemented with dramatic sound, lights, special effects, stage props and backdrops.

"This is the second time that Star Cruises has embarked on producing a show of such magnitude following 'Sorpresa' which was a great success. It is also a first for the Shaolin Masters to be featured onboard a cruise ship," said Mr. Looi Ban Cheng, Star Cruises' Vice President for Entertainment.

"The show has all the ingredients that make it highly entertaining and would appeal to a wide range of audiences," he added.

The new show season begins on 13 November 2005 on **SuperStar Virgo's** 3-night cruises to Penang and Phuket, 2-night cruises to Malacca and Kuala Lumpur (Port Klang) and weekend cruises out of Singapore.
