Catch the best of SuperStar Libra's gastronomic experience on ntv7

Hong Kong / Malaysia, 29 Aug, 2013 – Get an inside look at how the award-winning chef team of SuperStar Libra makes every dining experience a memorable one for the passengers. The ship's Executive Chef Saifol Iskandar Ikhsan shares his secret with ntv7's news segment "Edisi 7" this Saturday (31 August) at 1pm.

Helmed by Chef Saifol, SuperStar Libra's team of culinary experts have recently been honoured with 14 medals and 13 diplomas at the Battle of the Chefs 2013 in Penang. With over 22 years of cooking experience under his belt, Chef Saifol and his team's hard work and dedication shine through in the exchange with ntv7. Audience can get insider's view of the great lengths they go to every day to prepare such a wide range of cuisines, from international to Southeast Asian, for over 1,200 passengers and 800 crew members onboard. Chef Saifol also recounts untold stories and challenges faced by the team.

For those who have missed the opportunity to witness our Nasi Kandar experts live in action onboard SuperStar Libra can stay tuned for ntv7's news segment "7 Edition" also to be aired on Saturday (31 August) at 8pm. Audience can catch the highlights of how 32 contestants of The Star Cruises Nasi Kandar Cooking Competition 2013 went head-to-head against each other to be named the best Nasi Kandar experts.

Held onboard SuperStar Libra from 21-23 August, The Star Cruises Nasi Kandar Cooking Competition 2013 was a highlight of Genting Hong Kong's 20th anniversary celebration. This first Nasi Kandar competition in Penang was endorsed by Penang State Tourism and supported by Chefs Association of Malaysia (Penang Chapter) and Malaysian Association of Hotels (Penang Chapter).

Star Cruises as the leading cruise line in Asia-Pacific keeps abreast of the latest gastronomic trends and continuously refines and refreshes the dining experience while retaining the cultural authenticity onboard its fleet of ships.

On Star Cruises, every journey is a voyage of discovery and surprise.
