Cruise, Play and Learn Nourishing young minds on SuperStar Gemini

Hong Kong / Singapore, 10 January, 2014 – Star Cruises, the leading cruise line in Asia-Pacific, will deploy SuperStar Gemini to Singapore from 2 April to 31 October and add another dimension of fun to cruising for family travellers. The 50,764-tonne ship will launch a host of enriching activities for children to learn and for families to bond over during the cruises from Singapore to Malacca, Kuantan, Pulau Redang, Pulau Tioman, Penang, Langkawi, Phuket and Krabi.

Nourish the sense of the world and adventure

On this floating resort, Star Cruises' dedicated and hospitable crew will ensure everyone is well taken care of. Besides the world-class entertainment, dining, leisure and shopping tailor-made for adult cruisers, SuperStar Gemini has lined up educational and recreational activities to keep the little ones amused and their curiosity fulfilled as well. Aspiring young astronomers may join the "Junior Astronomer/Stargazing" programme to explore the cosmos as they learn to identify different constellations, heavenly bodies and the stories behind them. Our young explorers can also learn basic outdoor skills at the "Junior Camper/Camp at Sea" programme all in the safety of SuperStar Gemini. They will discover their love for the outdoors as they get the rare chance to camp under the clear, starry sky.

Explore the creative side

To release their endless energy, kids can attend the "Street Fusion Dance Classes" given by our talented teachers from the established Bailar Dance school in London during the June holiday. They will engage in a creative dancing experience through picking up techniques from Hip Hop, Popping to Freestyle dance combinations and routines. Past students from the Bailar Dance have earned performances in Towngate Theatre in Essex, England and Disneyland Paris. Join us on board and witness your kids perform live on stage with the Bailar Dance

teachers on SuperStar Gemini.

Don't miss activities that are designed for the entire family. In the "Magic Classes with Daniel Craven", the master illusionist will share his Las Vegas style magic tricks with keen learners. Parents can also bond with kids at the "Silk Screen Print Making" workshop where everyone can personalize his own t-shirt and bring his design to life at this fun activity for all ages.

From 2 April to 31 October, SuperStar Gemini will be offering five regular itineraries departing from Singapore: the 4D3N cruise to Penang and Langkawi, the 4D3N cruise to Kuantan and Pulau Redang, the 3D2N cruise to Malacca, the 3D2N cruise to Pulau Tioman, and the 3D2N high seas cruise. There are also a number of special and relocation cruises available. The 6D5N special holiday cruise to Penang, Phuket and Krabi departing on 8 June will be a perfect summer escapade.
